Driver Released but Police-mai Held in County Jail on Murder Charge

News of the World
TULSA, June 15.—The death of a woman and the arrest of a policeman on a charge of murder have resulted from shooting here Saturday morning following an attempt on the part of city officials to arrest the occupants of a speeding automobile which they had mistaken for a "bootlegger." The circumstances, as far as can be learned, were as follows:

A young female, a taxi driver, with five or six passengers, including two women, had just returned from a trip to Guthrie and stopped for air at a garage on Connell avenue. A group of officers who had been on the lookout for automobiles suspected of carrying liquor saw the car and sent word to about 10:30 a.m. that Charles Duncan, night chief of police, and U. S. Marshals, unable to stop the car, but were unable to do so, and hence escaped being run over. They then fired at the car, a shot passing through the window of the garage and striking one of the passengers. Mrs. Willie Gertrude Miller, in the back of the head near the base of the brain and coming out about the center of the forehead. It was presently noticed that the woman was shot, and the car had stopped and took her to the hospital, where she died shortly afterward, without regaining consciousness.

Miller was taken into custody, but was released later when it appeared that she had committed no wrong, and no liquor was found in the car. After investigation, Sheriff Neil H. Moore, Sheriff J. M. Wise arrested the man in charge of murder and took him to Miami.

HORSE RACES BARRED

Former Prevalence of Betting Causes Sheriff to forbid Sport in Okmulgee County.

Special to The World

OKMULGEE, June 15.—Sheriff L. M. Collier has served notice on the promoters of horse races in Okmulgee county that the sport will not be permitted to be put off as of yore. It is said that at the many horse races held near Okmulgee this spring open and notorious betting has been indulged in and much money and property changed hands.

There was a race meet last Saturday between Okmulgee and a track brought from Pawhuska. A complaint was made to the sheriff Saturday morning and the officer went quietly to the promoters and informed them that the race must be called off.

The sheriff, like all other real gamblers, likes to see a horse race, but he says that when the gamblers are so keen that they beat their winners through the streets by a hair, it's time to call a halt.

Four physicians performed the autopsy, but none of them has been willing to express an opinion as to the probable cause of death. It is known, however, that Sweeney was struck over the head with a revolver in the hands of a local police officer, the latter admitting that he had hit Sweeney while the latter was attempting to arrest one night last week.

Dr. C. E. Walker, county health officer, said last night that a report regarding the cause of death of Sweeney would not be made until it is determined whether members of the dead man's family will file charges against the officer.

The report was that Sweeney's death was probably due to an excessive intakes of even whisky, but
